Contract up for grabs

right now you can win a **record contract with Warner** through our partner Tele2. Check it out via www.Ubetoo.com. We'd love to see loads of entries from all of you.

What if...

the winner came from Ubetoo?! Just think about it. (Don't tell but secretly we're quite sure that'll be the case). *All* Ubetoo members would gain a lot from that so if you're not entering the competition, then go on and vote.

Good Luck everybody!!!

Video is up on Ubetoo

New on Ubetoo is the video function. Upload your music video, a funny clip, your stand-up act or anything else you feel like putting the spotlights on.
